

# NORCROSS HIGH SCHOOL BANDS

MARCHING BAND – CONCERT BANDS – JAZZ BANDS  
COLOR GUARD – WINTER GUARD

The **Norcross High School Band Booster Club** supports the music programs to provide students with opportunities for enrichment, education, and growth. With over 100 high school students in the various divisions of the band program, and with generations of former band families throughout the community, we represent hundreds of households in the Norcross and Peachtree Corners area.

The school system is not able to provide the full funding needed to provide these students with these experiences. The Band Booster Club, as a 501(c)3 non-profit organization, helps fill this gap through fundraising and volunteering. **We are looking for business partners and sponsors for the 2024-2025 school year.**

Sponsoring the band program is a great way to show involvement in the community and care for the families in our cluster of schools. Businesses and individuals can participate through giving donations and grants, by hosting spirit night fundraisers at local restaurants, or with other creative endeavors. We appreciate any and all donations and contributions as we hope this year to continue to great tradition that is the Norcross High School Band program. Thank you for helping us to serve these students and families!

For the 2024-2025 school year, **sponsorship levels** are as follows:

- **Platinum sponsors** (contributing \$2,500 or more) will be mentioned by name at football halftime shows and competitions, will have their name on a banner that will travel with the band, will have advertisement space in concert programs throughout the school year, and will be mentioned in weekly email newsletters.
- **Gold sponsors** (\$1,000 or more) will have their names on a banner that will travel with the band, will have advertisement space in concert programs, and will be mentioned in weekly email newsletters.
- **Silver sponsors** (\$500 or more) level sponsors will be mentioned at several events, will have their names published in concert programs, and will be listed in weekly email newsletters.
- **Bronze sponsors** (\$250 or more) level sponsors will be listed in concert programs and will receive shout-outs in several email announcements.
- **Friends** (\$100 or more) will be mentioned in several email announcements.

Restaurants interested in hosting a **Spirit Night** can give a portion of sales to the band and receive recognition in advance of and after the event, and the above additional benefits apply as well.

Additionally, we are launching a **Band Alumni Booster Club** this year, for former band members and parents of former band members, so that those who benefitted from the terrific experiences in the past will be able to pay it forward to enable current and future students to enjoy similar blessings.

**To join the band support team, please contact David Lee at 404-428-8242, or at DavidDLee@hotmail.com.** For inclusion in the banner printing, please respond by August 31, 2024.

We appreciate your presence and participation in the community and thank you for your consideration of the students at Norcross High School and of the Norcross Band Booster Club.

Appreciatively,  
Eurica Woods, Fundraising Co-Chair  
David Lee, Fundraising Team
